WHAT YOU NEED TO KNOW

Foursome Photos - Outing Photography By NYGOLF magazine

The Perfect Gift for Your Golfers

Are you looking for that perfect gift for the participants in your next golf outing? NYGOLF magazine's professional staff can provide your guests with a customized memento from your event. NYGOLF magazine offers FOURSOME PHOTOS in two sizes -- a 5x7 acrylic frame and a larger 8 x 10 glass frame.

Before Your Outing

Our designer will support you in customizing your photo layout to include your outing name, the outing date, the golf course, any relevant sponsors or honorees you wish to acknowledge and your logos. It is customized to your event. A final proof is emailed to you for your approval prior to your event.

We Are On Site the Day of Your Event

On the day of your event, NYGOLF magazine's staff will arrive at least one hour prior to your shotgun time to set-up our computers, printers and all the necessary equipment. Once your event commences, the highly trained NYGOLF magazine photographers will travel to each hole to capture each foursome photo. While your golfers are on the course, enjoying your wonderful event, we will be printing and assembling all the photos.

After Golf

Prior to your evening festivities, NYGOLF magazine will beautifully display all of the photos sorted by the hole number that the foursome started on. Each golfer will receive their own framed photograph to take home with them at the conclusion of your event. Golfers can display these photos for years to come.

It's Affordable

Our FOURSOME PHOTO packages are affordably priced and at NYGOLF magazine we believe that these FOURSOME PHOTOS are an excellent gift for the participants in your golf outing. I'm sure you will agree.
